## “FSC-STD-40-005 V3-1 Controlled wood standard requirements”

There has been challenges for Finnish forestry industry, wood processing and trading companies how to keep up their FSC® Due Dilligence System compliance with FSC Controlled Wood standard (FSC-STD-40-005) and CNRA (FSC-CNRA-FI). Already on November 27, 2018, FSC Finnish CNRA was approved for Finland with specified risk regarding High Conservation Values (HCV3) and still today there are open questions from High Conservation Values and areas.
