RSPO and Rainforest Alliance Standard online training
19th April 2023

RSPO regularly revises its **RSPO Supply Chain Certification Standard**, and BM Certification offers professional training that will answer the following questions, among the others:

- What has changed?

- How does this affect your company?

- How should the new or updated requirements be understood?

- How should the fulfilment of the requirements be documented?

- What are the requirements for the responsible personnel, WHO is required to do WHAT?

We offer clear and understandable answers to these and many other questions.

Rainforest Alliance Standard webinar provides guidance on:

- how to use the Rainforest Alliance Portal and Multi-Trace

- what is Rainforest Alliance Verification Level of an organization -> where and how do organization get it and what does it mean for organization

- sample of filled in Certification Application Form (CAF) of Rainforest Alliance Program

- where can organization get information from Rainforest Alliance portal

- how are certain queries/requirements to be interpreted

- self-Assessment and Requirements List - what needs to be indicated

- Rainforest Alliance standard requirements -> focus on the supply chain

- Rainforest Alliance Audit Process in general
